Since July 2002 we have been able to present our web site www.ancientiran.com in Farsi. So readers of Farsi can now visit our site and read all the issues of IRAN ZAMIN and much more in Farsi on the net.

In this issue the 'Status of Women in Ancient Iran' is up for discussion and for our next issue we have chosen for discussion 'THE ROOTS AND DEVELOPMENT OF FARSI LANGUAGE'. We shall be glad to receive paper on the topic or any other topic that you would like to be published in our February 2003 issue.

Iran Zamin is an outlet for presenting your findings to the world.
